WHEN SOMEONE PASSES AWAY

1

Take a moment.

You do not have to make every decision at once.

2

Medical staff or relevant authorities may need to
complete their procedures first.

3

Contact your funeral director.

We are available 24 hours a day to guide collection,
documentation and arrangements.

4

Have identification available.

Keep the deceased's ID/passport and relevant medical
or funeral-plan details close at hand.

5

Choose one family contact.

One person coordinating arrangements can make the
first hours more manageable.

You are not alone. We will guide you through the next steps.
